

Welcome to the Hop Vine

Your hosts Mike, Julie & The Team bring a wealth of experience in the trade and have sourced the best in the area to tempt you! Whether it be ales, fine wines, lagers, steak or fish.

The Hop Vine formerly 'The Royal Hotel' was built in 1874 and was a main stopping off point for goods being transported to and fro on the old Turnpike road the 'A59'. The Royal as it was known has served the community and travelers alike.

'The Hop' beckons a new era, a village pub which champions a strong community spirit.

So sit back relax and enjoy the relaxed pub atmosphere and informal service.
